

Volunteer Expectations:

Volunteers will work from 4:30/5:00 – 9:00 PM on the concert week they are assigned to. Volunteers will be assigned to a specific area, and the WCO will try to keep all 5 volunteers together in one area when possible. Potential areas for volunteering are Beverage Booth, Merchandise Booth, Donation Tents, Information booth, Stage Security, Lawn Supervisors, and more. All volunteers will be provided with a t-shirt to wear that has all six Volunteer Affiliate logos on the back for the season.

Volunteers don't have to be business owners or employees! Use your network – family, friends, regular customers, to help you be part of this program.

Volunteering at Concerts on the Square is a wonderful way to meet new people, experience the outdoors in Wisconsin, and hear great music presented by the Wisconsin Chamber Orchestra. Volunteers under age 16 require adult supervision.

Volunteer benefits include:

- Complimentary volunteer t-shirt with the WCO logo
- Soft drink and water each night you work.
- Work 3+ concerts this summer to receive two complimentary tickets to one of the Masterworks concerts in the Capitol Theater
